

## GOVERNOR ARNOLD SCHWARZENEGGER

May 18, 2018

The Honorable Erna Solberg  
Prime Minister of Norway  
Postboks 8001  
Dep, 0030 Oslo  
Norway

Dear Prime Minister Solberg,

Thank you for coming to Vienna to help us continue in our fight to make our planet great again. The Austrian World Summit would not have been such a great success without you, and I'm glad that you were able to attend and share your incredible knowledge with all of us.

It was fantastic to hear you speak about all of the ways Norway is able to be a leader in clean energy despite being an oil-rich country. You are showing the world the way, and I hope that one day other nations follow your lead and move toward a clean energy future. You have to tell me when the electric ship is ready so that I can come see it!

Thanks again for all of your hard work for our environmental crusade. We need more leaders in this world like you. I very much enjoyed talking with you, and I hope we can see each other again soon.

Sincerely,

  
Arnold Schwarzenegger
